WE OPERATE WORLDWIDE

Los Angeles o Hong Kong non fa differenza.
Ci siamo. Dove richiedono, dove è destinato
l'arredo noi andiamo. Non temiamo la distanza e
nemmeno quanto impegno e sforzo saranno ne-
cessari. Non affrontiamo mai un lavoro ponendo
come limite la distanza.

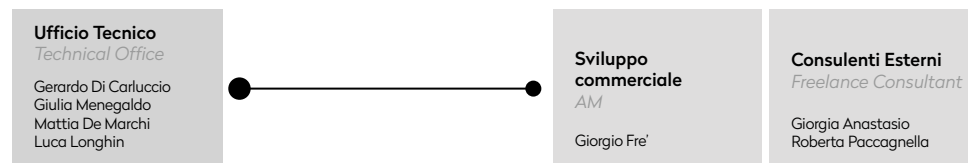

*Los Angeles or Hong Kong makes no difference.
There we go. Where required, where the furniture
goes we go. We do not fear the distance and not
even how much commitment and effort will be
needed. We never face a job by placing a limit
distance.*

WHO WE ARE

BBW&L nasce per dare continuità a esperienze decennali nel settore dell'arredo su misura. La nostra missione è sviluppare, costruire e posare in opera manufatti personalizzati di alta qualità, combinando tradizione artigianale e innovazione con una visione internazionale.

BBW&L was founded to build on decades of experience in the bespoke furniture sector. Our mission is to design, construct, and install high-quality custom-made furnishings, blending artisanal tradition with innovation and an international perspective.

WHAT WE DO

Realizziamo manufatti su misura e di altissima qualità, destinati al mondo del design e dell'architettura contemporanea. Il nostro know-how, frutto di esperienza e competenza, ci permette di creare pezzi unici combinando materiali di natura diversa in soluzioni creative e innovative.

We create bespoke, high-quality products designed for the world of contemporary design and architecture. Our know-how, built on experience and expertise, enables us to craft unique pieces by combining different materials into creative and innovative solutions.
